WORK EXPERIENCE

Eleven Peppers Studios, LLC   **Dec. 2022 – Present**
Designer   *Columbia, MD*
- Spearheaded digital design efforts for the National Security Agency's Cybersecurity Directorate, enhancing internal and external engagement initiatives through visually compelling graphics, presentations, and videos.
- Collaborated closely with high-level executives to ensure clear communication of cybersecurity concepts and strategy, translating complex information into accessible visual assets.
- Demonstrated a keen creative vision, seamlessly blending text and graphic elements to convey key messages effectively and contribute to the Agency's mission of safeguarding national security.

National Security Agency   **June 2021 – Oct. 2022**
Multimedia Producer   *Fort Meade, MD*
- Produced high-quality multimedia, including photographs, video presentations, and graphic design for various projects, meeting diverse communication needs across platforms.
- Interfaced with clients to identify multimedia needs, ensuring timely and effective product delivery while adhering to project specifications and deadlines.
- Operated cameras and photography/videography equipment to capture and process images and videos, maintaining a high standard of quality and professionalism in all deliverables.

NIOC Hawaii Public Affairs Team   **Mar. 2017 – Oct. 2019**
Lead Photographer   *Honolulu, HI*
- Captured numerous live events and ceremonies as the primary photographer, ensuring high-quality images that effectively documented important moments and activities.
- Worked closely with clients to understand and meet photography needs, providing personalized service and attention to detail to achieve desired outcomes.
- Utilized advanced editing techniques to retouch and enhance photos, ensuring consistency and accuracy in final deliverables.

US Navy - Cryptologic Warfare Activity SIXTY SIX/NIOC Hawaii   **Sep. 2016 – April 2022**
Network Exploitation Analyst   *Fort Meade MD/Honolulu, HI*
